ORDER

On November 14, 2005, Plaintiff filed a motion to voluntarily dismiss this 42 U.S.C. § 1983 complaint in its entirety (docket entry #41). According to Plaintiff, Dr. Jonathan Simmons explained to him the error of pursuing this matter further. Defendants state that they understand Plaintiff's confusion regarding this case and accept his apology for proceeding as he did. Most important, they do not object to Plaintiff's dismissal (see docket entry #42); therefore, the Court finds that no reason exists to deny Plaintiff's request.

Plaintiff's motion to voluntarily dismiss (docket entry #41) is hereby GRANTED. Judgment will be entered dismissing Plaintiff's complaint without prejudice. All pending motions are DENIED AS MOOT.

The court trial scheduled on December 14, 2005, is hereby CANCELLED.

IT IS SO ORDERED this 22nd day of November, 2005.
